

Asheville Recycling

New Materials to Recycle:

Now recycling **EMPTY Aerosol Cans!**

Empty aerosol cans may be accepted only. If the can is not empty, it is considered a household hazardous waste (HHW) and needs to be brought to the landfill during HHW collection every Friday (except for holidays).

Now recycling **Aluminum Pie Plates and Food Trays!**

Please make sure they are washed and clean of food waste. Thanks!

All Plastic Bottles & Jugs may now be recycled!

No need to look at the bottom for the recycling symbol number. Curbie has made it easy!

TIP: The neck must be smaller than the base
